7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

The students are involved in innovative programmes like bringing and planting the saplings, to enhance the greenness and beauty of the institution.

They are provided with a library in their hostels, which enables them to an uninterrupted access to books till the completion of their examinations.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The students showed a lot of enthusiasm and the classes vied with one another in making the Campus clean and green.

They are happy and tension-free as they need not worry about the availability of text books for the preparation of their examinations.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- Nurturing the potential of students by Student centric and self-directing pedagogy.
- Cultural ethos.

****Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection

It is a blessing in disguise for this Campus as it is located in Kerala which is famous for its greenery throughout the world. So the students are inherent naturally with the environmental awareness. Yet classes of Environmental awareness are taken for them to spruce up their knowledge. They contribute significantly for the protection and safeguard of ecological balance like mentioned in 7.1 above. In addition to that, they are encouraged to maintain the Campus as plastic free zone.

A Bio Gas plant will come up shortly for the Girls Hostel for the waste management in a more effective and useful way.

7.5 Whether environmental audit was conducted?

Yes

No

7.6 Any other relevant information the institution wishes to add. (for example SWOT (Strengths, Weaknesses, Opportunities, Threats) Analysis)

Strength:

- Environmental awareness and protection.
- Gender equality.
- Cultural activities like classical singing, dance and drama.

Weaknesses:

- Unable to transform their academic talent into its logical conclusion like ending with B.Ed. or M.Ed. or Ph.D. or NET/SLET etc.

Opportunities:

- Innumerable opportunities are open for the students as they can avail technical ones like computer skills for example DTP, teaching posts in schools and colleges, cultural ones like theatre and sports ones etc.

Threat:

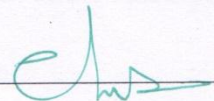

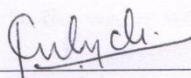

- No conceivable threat has been perceived.

8. Plans of institution for next year

Mulled to go for installation of solar panels for all the buildings in the Campus on priority basis, so that payments of the hefty electricity bills can be avoided by tapping the solar energy, which is also conducive for maintaining ecological balance.

Best Practices of the institution - Annexure 1

Nurturing the potential of students by Student centric and self-directing pedagogy.

Our campus is known for transforming and empowering students who come from diverse backgrounds ranging from under privileged sections to affluent ones.

It nurtures the potential of the students by empowering them to carve their unique paths. It facilitates self-growth, self-worth and actualization of potential of the students through innumerable ways of empowerment and competence building. Holding talks by experts in certain given fields and promoting wellbeing through yoga and Ayurveda classes.

Through constructive feedback, open communication, inculcating a culture of critical thinking and holding an array of in-depth discussions the campus has managed to uplift its most underprivileged students to be self-reliant. The teaching culture here seeks to highlight and thereby have the students appreciate that the true essence of life lies outside the bounds of right and wrong, and in a wide varieties of shades. The students learn to think beyond right and wrong and educative experience on range not limited by these extremities. This is also possible through the individualized mentoring and counselling that the teachers provide to the students. Our campus library with its varied collection of books, journals, magazines and e-resources also opens a window to the wider world for the students.

Best Practices of the institution - Annexure 2

Cultural Ethos

Guruvayoor Campus is blessed to be located in the District of Thrissur, which is the Cultural Capital of Kerala. Most of its students are from in and around the district. They have the inherent quality of having penchant for cultural activities from very tender age. So they are very strong in Classical Music, Dance and Drama.

This trait has helped this Campus to achieve distinction of getting most of the prizes/medals in whatever the competitions organized by the Sansthan in the years till the date. Thus they are always the strongest contenders in the field of Cultural Competitions in the Rashtriya Sanskrit Sansthan. Thus they have also forced a fierce competition among other Campuses to compete with them in the medal/shield hunt every year.

This kind of their inborn quality acts as the hub of this Campus over which the gamut of unity in the institution is rested. It helps uniting its students and staff who hail from different communities, castes, religions and regions. It binds them with love. They all experience the same feeling of oneness, which transforms their heterogeneous nature into homogeneous one in striving for the betterment of the institution.

This Cultural Ethos distinguishes Guruvayoor Campus from other Campuses under the Sansthan and accords it a unique status!
